

2026 CROFTON VILLAGE POOL AND RECREATION ASSOCIATION, INC.

HEALTH AND SAFETY GUIDELINES

The following health and safety guidelines are for the protection and benefit of all members, their families and guests, to assure safe and sanitary operations of the **CROFTON VILLAGE POOL AND RECREATION ASSOCIATION (THE ASSOCIATION)**.

The swimming pool facilities will be under the management of a licensed swimming pool management firm and will always be under the control of a qualified pool manager and his/her assistants.

The pool managers are responsible for the strict enforcement of the swimming pool Health and Safety Guidelines. They have the authorization to temporarily suspend and deprive any member or guest of the swimming pool facilities for violation of the Health and Safety Guidelines; or any other reason, which in their judgment constitutes a hazard to others, to management and/or to the Association. If such action is necessary, the Pool Manager in charge will file a written statement with the Association within seventy-two (72) hours.

All members and their guests using the swimming pool facilities do so at their own risk and sole responsibility. They agree that the management and/or the Association shall not in any way be liable to members and/or their guest for any damages or injuries suffered or sustained to life, limb, or property as a result of the use of said facilities and/or equipment, and all claims for such damages are released to management and/or the Association or its assigns who may plead this release in any and every suit, demand and claim for the same.

All members and their guests using the swimming pool facilities agree to comply with all Health and Safety Guidelines set forth herein or hereafter adopted, and made known, and agree that they and their guests will abide by all the Health and Safety Guidelines; and all members and their guests agree to hold harmless the Management and/or Association from any and all liabilities and action of whatsoever nature growing out of the use of the swimming pool facilities.

Violators of any Pool Health and Safety Guidelines are subject to the temporary or permanent suspension of pool privileges. Members whose guest violate these Guidelines may be subject to temporary or permanent suspension.

1. All members must apply for valid membership online. ASSOCIATION MEMBERS must sign the 2026 pool rules in order for their online membership to be valid and NONMEMBERS must sign the new 2026 pool rules and provide payment. If you are having difficulty with the application process, please contact Brodie Management on 410-825-6060.
2. Any member who does not have a photo associated with their account must get their picture taken by one of the guards at the front gate on their first visit to an Association pool. In order to get your photo taken, you must bring a form of valid, current photo identification. Anyone without a photo associated with their account will not be allowed inside the pool area. All prior photos have been saved to all accounts.
3. GUESTS: A valid pool member must accompany all guests. Please purchase passes online and apply them to your account prior to going to the pool and for future use by visiting croftonvillagepool.org and clicking Guest Pass tab.
4. Members are responsible for all actions/behavior of their guests.
5. No one is allowed to swim unless the pool area is open, and a lifeguard is on duty.
6. The swimming pool may be closed at any time due to inclement weather, equipment breakdown, water condition or any other operational difficulties at the discretion of the pool manager.
7. In the event of thunder, the pool will be cleared until thirty minutes after the last heard thunder. In the event of lightning, the pool and the entire facility will be cleared until thirty minutes after the last seen lightning. Clearing and resumption of pool use are at the sole discretion of the lifeguard(s) on duty.
8. All swimmers are required to shower before entering the pool.
